I think I'll go for a walk outside now.  
The summer sun's callin my name  
(I hear ya now)  
I just can't stay inside all day  
I gotta get out get me some of those rays  
Everybody's smiling  
Sunshine day  
Everybody's laughin  
Sunshine day  
Everybody seems so happy today  
It's a sunshine day  
I think I'll go for a walk out side now  
The summer sun knows me by name  
(he's callin me)  
I gotta get out, gotta get out, gotta get away  
I gotta get away, get away, get away, get away...  
Into the sunshine day...

**Monologue for Audition**

I've always dreamed of being a hero. I've tried everything to become super. I let a spider bite me ... no spider powers, just lots of itching. I tried standing too close to the microwave oven hoping the radiation would change me. Nothing. And I got in trouble for making so many bags of popcorn! But I took it all to school and had a popcorn party. I was a hero *that* day. So I guess it kinda worked?

I love being a hero. I love helping people. I love making them happy. And I hate bad guys. I hate creeps who hurt people. There's this kid at school ... he's always hurting everyone. I am sick of him hurting us. I just need those super powers. I need something that will make him stop!

Maybe if I eat more of the school lunches? They look radioactive. If I get enough green hotdogs and brown sauce in me, something is bound to happen! And I need a catch phrase, like "Gonna smooch me a baddie!" And a cool costume! Actually, last time I was in the bathroom, I saw the perfect superhero name. "Protecto!" Instead of a telephone booth like Superman, I could use a bathroom stall and those Protecto seat covers could be a cape- and I could make a toilet paper mask! Nothing scares bad guys more than bathroom stuff. (*Thinks.*) Or maybe it will really make them want to give me a swirly? I better rethink this...

## **2022 SUMMER THEATER ARTS PROGRAM**

Dear Parents and Participants,

Welcome to the 2022 Summer Theater Arts Program, provided by the Farmingdale Youth Council, Summer Recreation Program. Before all the hustle and bustle of auditions, rehearsals, scenery painting, and MORE rehearsals begin. I would like to remind everyone involved of the following;

1. Program participants may not enter the building prior to 9:30 A.M. and then, only at the instruction of a staff member. ***Everyone is to enter and exit the building through the Auditorium Lobby Doors.***
2. No participant may reenter the building after dismissal unless accompanied by a Theater Arts staff member or a Building staff member.
3. All participants **must** remain in the areas assigned to the program at all times. No one is permitted to wander through the building unsupervised.
4. **At no time are program participants to bring food or drink into the auditorium, onto the stage or into any classroom used by the program. Food and drink will only be allowed in the area designated by the Building's Administration.**
5. **NO GLASS CONTAINERS ARE TO BE BROUGHT TO THE PROGRAM.**
6. All program participants are to clean up after themselves and help in policing the areas used by the program.
7. Any spills or damage are to be reported to a staff member immediately.

In addition, we must remember that we are guests in the building. As guests, we should not abuse the areas we use or show any disrespect to our hosts. Our hosts, the Farmingdale School District, their administration and staff, are more than willing to cooperate, if we also cooperate by adhering to these guidelines.

I wish all of you much enjoyment and success in the Summer Theater Arts Program and am confident that each of you will conduct yourselves in an appropriate manner. I look forward to this year's show, as it is always an extremely enjoyable evening.
